Guard Brutality:

Facts

16. While Jackson was standing naked and defenseless, Officer Edmonds told Jackson he should have cleaned his cell before the heat team arrived and then punched Jackson twice in the face. Officer Edmonds then grabbed Jackson around the throat/neck area; Jackson placed his hands on Officer Edmond's chest and arm and then shoved him in an attempt to break officer Edmond's hold around his throat/neck.

17. Officer Melton then removed his baton and struck Jackson in the chest and rib area which caused Jackson to fall down on the cell-floor. While Jackson was down on the cell-floor naked, defenseless, and not resisting; Officer Edmonds removed his baton and both officers proceeded to strike Jackson in the head, chest, ribs, arms, hands, and other areas on his upper body; while alternating from bats to boots and stomping Jackson in those same areas and stomach.

18. The beating became so severe that Jackson defecated on the floor. Jackson heard Captain Baldwin say "that's enough" and that's when both officers ended their brutal assault on Jackson. Testimony from eye-witness, Damien McKenzie, during Jackson's reclassification hearing revealed that Captain Baldwin stood idly by and witness both officers beat Jackson for around 30 seconds.

Corizon Medical Staff

INFIRMARY:

19. Jackson was escorted to the infirmary on numerous occasions behind this incident. Jackson sustained multiple injuries, which were as follows:

- (1). Multiple Head Injuries/ Head Bust Wide Open in different Areas Required (16) Staples to the head to close open head wounds
- (2). Left hand broken / Fractured.
- (3). Swelling/Abrasions/ severe pain to Chest and Ribs area.
- (4). Swelling/Abrasions/ severe pain to Left and Right arms.
- (5). Sharp and Burning Pains to the abdominal area.
- (6). Abrasions to back and severe backpains.
- (7). Severe and excruciating headaches.
- (8). Coughing up blood and shortness of breath.

20. Dr. Roddam is around 80 years of age. He applied (16) staples to Jackson's head and left some of the head wounds open to close on their own. He also applied the staples to Jackson's head without shaving the hair around the head wounds; for sanitary purposes and to prevent infection.

21. The Corizon Medical staff refused to admit Jackson to the infirmary for observation nor recommend that he be seen immediately by outside Medical care for the life threatening wounds he sustained to the head and his broken left hand. Jackson was also experiencing shortness of breath and severe pain to the chest and ribs along with other injuries. Which he informed Dr. Roddam during the first examination.

22. When Dr. Roddam finished applying the staples to Jackson head, he was immediately escorted to the segregation unit. Since then, Jackson has submitted numerous sick call slips about the excruciating headaches he been experiencing as well as the rib pain, back pain, and his broken/fractured left hand. Jackson was rushed to the infirmary by wheelchair because he was coughing up blood and experiencing a shortness of breath. Dr. Roddam prescribed Jackson tylenol and Ibuprofen for all of his injuries and pain.

23. Jackson's left hand was x-rayed in May of 2016. The results came back and revealed that Jackson's hand is broken/fractured. Jackson's hand has been in this condition since April 22, 2016. Jackson's hand remains in this condition at the filing of this civil action.

24. Around May 4, 2016, Nurse Green removed the staples from Jackson's head and that's when Nurse Green discovered the remaining open head wound which he sealed close with glue. Although he accidentally left two staples in Jackson's head.

Failure to Investigate and Massive Cover-up

25. The Doc officials refused Jackson request to take photos of all his injuries beside his head wounds before placing him in the Segregation Unit.

26. Jackson's Request to make a written assault incident Report statement was refused by Doc officials.

27. Warden Bolling Refused to investigate the incident nor have he spoken with Jackson about the incident. Jackson Filed an administrative complaint to Warden Bolling on April 25, 2016. Jackson also notified II Warden Miree verbally during institutional seg board day on April 27, 2016. No response back.

28. On April 24, 2016, Jackson used the wall phone in the infirmary and reported the incident to the physical abuse department. No Response.

29. On May 6, 2016, Jackson filed a complaint to the Federal Bureau Investigations in Birmingham and the Department of Justice. No Response.

30. Jackson was falsely charged with two disciplinaries on house after being placed in the Segregation Unit. Which were as follows: Failure to obey and Assault on Officer. See [Exhibit A and B]

Legal Claims:

Court 1.  
Guard Brutality/Excessive Force

31. Plaintiff Jackson realleges 1-30 and avers that the brutal beating he was subjected to by Officer Melton and Officer Edmonds, violated his rights and constitute cruel and unusual punishment under the Eighth Amendment of the United States Constitution.

Additionally, Captain Baldwin is too be held liable under the Superior liability standard. He may not have actively participated in the beating, but he stood idly by and witness his officers beat Jackson for 30 seconds. Captain Baldwin was the supervisor over the CERT team on the day in question and was responsible for their behavior. Jackson will forever bear the scars on his head from the heat wounds; All because of Captain Baldwin's inadequate supervisor.

Count 2

Corizon Deliberate Indifference

32. Plaintiff Realleges 1-30, count 1, and avers that the Corizon Medical Staff has been aware of the fact that Jackson's left hand has been broken/Fractured since April 22, 2016. Yet, Corizon Medical Staff Refused to properly treat Jackson's hand by Sneezy or Recommend Outside Medical Care or Recommend a specialist. Since the incident, Jackson has been experiencing excruciating headaches, Rib pains, back pains, and sharp/burning abdominal pains. Jackson has submitted numerous sick call slips and notified Corizon Staff that the Tylenol or Ibuprofen is not helping and is only making him nauseated. Jackson has started vomited the pain pills.

The Corizon Medical Staff is deliberate indifferent to Plaintiff Jackson Medical needs which violates his Eighth Amendment Right under the United States Constitution.

33. The Plaintiff has no plain, adequate, or complete Remedy at law to Redress the wrongs described herein. Plaintiff has been irreparably injured by the conduct of the defendants.

Prayer for Relief

34. Wherefore, Plaintiff Jackson Respectfully, prays that this Court enter Judgment granting Plaintiff the following:
